

HIGHTEC SCREEN DEFROSTER

De-icing spray - frees windscreens from ice in a few seconds and prevents ice from reforming.

Description

HIGHTEC SCREEN DEFROSTER is a highly effective windscreen de-icer in a practical pump bottle. It frees windscreens from ice in a few seconds and prevents ice from reforming.

Application

Spray HIGHTEC SCREEN DEFROSTER on your front windscreens and side windows to free them from ice. Repeat the application if needed. Excess snow must be removed before use.

Benefits

- Fast acting de-icing spray
- No formation of new ice
- It can also be applied to polycarbonate windscreens
- Harmless to painted or chromium-plated surfaces, as well as rubber and plastic
- Easy handling
